

Monomethylamine triazine (MMA Triazine)

Specifications

CAS NO. 108-74-7

Properties	Unit	Value	Test Method
Appearance	-	Colorless liquid	Visual inspection
pH @25°C	-	8.0-12.0	ASTM D 1293
Triazine Content*	Wt. %	32 – 40	Inhouse
Specific gravity @25°C	-	1.01 - 1.02	ASTM D 891
Water Content	Wt. %	Balance	

* Could be customized based on customer's concentration request and specifications will change accordingly.

Major Applications

- Oil & Gas Industry
- Water treatment
- Manufacturing of specialty chemical
- Lubricant industry
- Offshore chemical

Packing

- IBCs
- ISOs
